

UNDERWATER FRIENDS

BY [CHILDBOOK.AI](https://childbook.ai)

Mira loved the tide pools behind her house. One sunny day, she leaned close to a small blue fish and whispered, "Hello there!" To her amazement, the fish blinked and said, "Hello yourself!" Mira gasped and fell back onto the sand. "You can talk?" she asked. "Only to you, it seems," said the fish, wiggling happily. "My name is Bubbles. Want to see my home?" Mira grinned wide. "Yes, please!"

Mira held her breath and slipped beneath the waves, following Bubbles past swaying seaweed. A crab named Pinch waved his claw. "Careful of the rocks!" he warned. A gentle sea turtle drifted by, humming a slow song. "Welcome, little one," the turtle said kindly. Mira giggled, bubbles tickling her nose. Everywhere she looked, creatures greeted her with clicks, chirps, and burbles. "This is the best day ever," she said, spinning happily in the cool blue water.

Suddenly, Pinch scuttled over, worried. "Bubbles is stuck in a net!" he cried. Mira swam quickly to help. The old fishing net had wrapped around a rock, trapping her friend. "Hold still," Mira said gently, untangling the ropes with careful fingers. Bubbles wiggled free at last. "Thank you, Mira!" he said, spinning with joy. The turtle nodded slowly. "You have a kind heart, little diver." Mira smiled, proud she could help her new underwater friends.

As the sun began to set, Mira floated near the surface with her friends gathered close. "Will you visit again tomorrow?" asked Bubbles. "Every day," Mira promised, touching the water gently. Pinch waved his claw, and the turtle hummed a happy tune. Mira climbed onto the sand, dripping and smiling. She looked back at the shimmering sea, knowing a whole magical world waited just beneath the waves, full of friends who understood her heart.
