MY BIG BOOK OF HOLIDAY FUN

BY CHILDBOOK.AI

Mia found a giant, shiny book on her desk. "My Big Book of Holiday Fun!" she read out loud. Suddenly, a floating blue crayon popped out. "I am Sparkle!" the crayon cheered. "Let us play!" Mia opened the book to a spooky page. Whoosh! They fell into a Halloween maze. Pumpkins lined the twisty paths. "We need to find the way out," Mia said. Sparkle drew a bright blue line on the ground, guiding them safely through the spooky pumpkin patch.

Next, Mia turned the page and felt a chilly breeze. They were in a snowy winter wonderland! "It is Christmas time!" Sparkle shouted, spinning in the snow. "Look at all these snowmen." Mia saw snowmen missing their shiny buttons. "Let us count and match them," she suggested. She pointed to the first snowman. "One, two, three!" Sparkle quickly drew three red buttons on its belly. They laughed and counted all the way to ten, making every snowman look perfectly festive.

The third page was bright and sunny. Green grass tickled Mia's red sneakers. "Welcome to the Easter matching game!" Sparkle said, pointing with his blue tip. Colorful eggs were hidden everywhere. Mia found an egg with pink zigzags. "I need to find its match!" she called out. She peeked under a bush and smiled. "Here it is!" Sparkle hopped up and down, drawing gold stars in the air. Together, they matched spots, stripes, and swirls until the basket was full.

Mia turned to the very last page. Balloons and streamers filled the sky. "It is a birthday party!" Mia cheered. "But where is the cake?" Sparkle wiggled his tiny arms. "We have to draw it!" Mia held Sparkle and guided his tip. They drew a giant cake with pink frosting and five bright candles. "Happy birthday to everyone!" Sparkle shouted. The drawing popped off the page, smelling like sweet vanilla. Mia closed her big book, ready for more fun tomorrow.
