

THE DRAGON WHO BLEW BUBBLES

BY [CHILDBOOK.AI](#)

In a cozy cave on Dragon Mountain lived a tiny dragon named Bubbles. Bubbles was purple and green with shimmering scales. All the young dragons were learning to breathe fire. But when Bubbles tried, out came colorful bubbles instead! They popped and sparkled in the air. The other dragons giggled. Bubbles felt sad and different.

The dragon teacher said it was time for fire practice. One by one, the young dragons breathed orange flames. Then it was Bubbles' turn. Bubbles took a deep breath and tried very hard. Poof! Rainbow bubbles floated everywhere. The dragons laughed. Bubbles hung their head low and walked away quietly.

Bubbles sat alone by the forest. A tear rolled down their scaly cheek. "Why can't I breathe fire like everyone else?" Bubbles whispered. The purple and green dragon watched the bubbles float into the trees. They were pretty, but Bubbles wanted to be like the other dragons. Being different felt lonely.

Suddenly, Bubbles heard tiny voices calling for help! "Help! We're stuck!" Bubbles rushed into the forest. Three baby rabbits were trapped in a deep muddy hole. They couldn't climb out. "Don't worry, little ones," Bubbles said gently. "I'll help you!" But how could bubbles help anyone?

Bubbles had an idea! They breathed out the biggest, strongest bubbles ever. The magical bubbles floated down into the hole. Each rabbit hopped onto a bubble. The bubbles lifted them up, up, up! The rabbits bounced safely to the ground. "Thank you, Bubbles!" they cheered happily.

The next day, the village was having a big celebration. But oh no! The decorations looked plain and gray. The mayor was worried. "We need something magical!" she said. Then someone remembered Bubbles. "The dragon with the special bubbles can help!" They called for Bubbles to come quickly.

Bubbles arrived at the village square. Children gathered around excitedly. Bubbles breathed colorful bubbles everywhere! Pink, blue, yellow, and green bubbles filled the sky. They sparkled like tiny rainbows. The bubbles made everyone smile and laugh. "This is the most beautiful celebration ever!" the children shouted with joy.

The other dragons came to watch. They saw how happy Bubbles made everyone. "Your bubbles are amazing!" they said. Bubbles smiled brightly. The dragon teacher gave Bubbles a big hug. "Being different makes you special," she said. Bubbles learned that their unique gift was magical. And that made Bubbles the happiest dragon of all!
