

A DAY WITH NONNI

BY [CHILDBOOK.AI](https://childbook.ai)

Mommy carried baby Eloise up to a little house with a red door. Nonna and Nonno opened it together, smiling wide. "Buongiorno, sweet Eloise!" Nonna said, kissing her cheek. Nonno tickled her tiny toes, making her giggle. "Today, we have a special surprise for you," Nonno whispered with a wink. Eloise squealed and reached for both of them, ready for a fun-filled day with her Nonni.

Nonno carried Eloise into the sunny garden while Nonna spread a soft blanket. "Once there was a tiny seed that grew into a giant sunflower," Nonno began, pointing to the tall flower nearby. Eloise reached out and touched its bright petals. "Flower!" she said happily. Nonna clapped, "You're already telling stories too!" Together they watched a bee buzz around, and Eloise laughed with delight at the tiny visitor.

After the story, Nonno winked and led Eloise to the old wooden shed. "This is the surprise," he said, opening a small box. Inside sat a soft, fluffy puppy toy with a red bow. "Surprise, Eloise!" Nonna and Nonno cheered together. Eloise squealed with joy, hugging the puppy tight against her chest. "Woof woof!" she giggled, pretending the toy could really bark, making her grandparents laugh with happiness.

As the sun set, Nonna rocked Eloise gently while Nonno hummed a soft tune. "You had a wonderful day, little one," Nonna whispered, kissing her forehead. Eloise hugged her new puppy close, her tiny eyes growing heavy. "We love you so much, sweet Eloise," Nonno said softly. Eloise smiled sleepily, snuggled between her Nonni, and drifted into a happy, peaceful dream.
