

LAND OF PAULINE

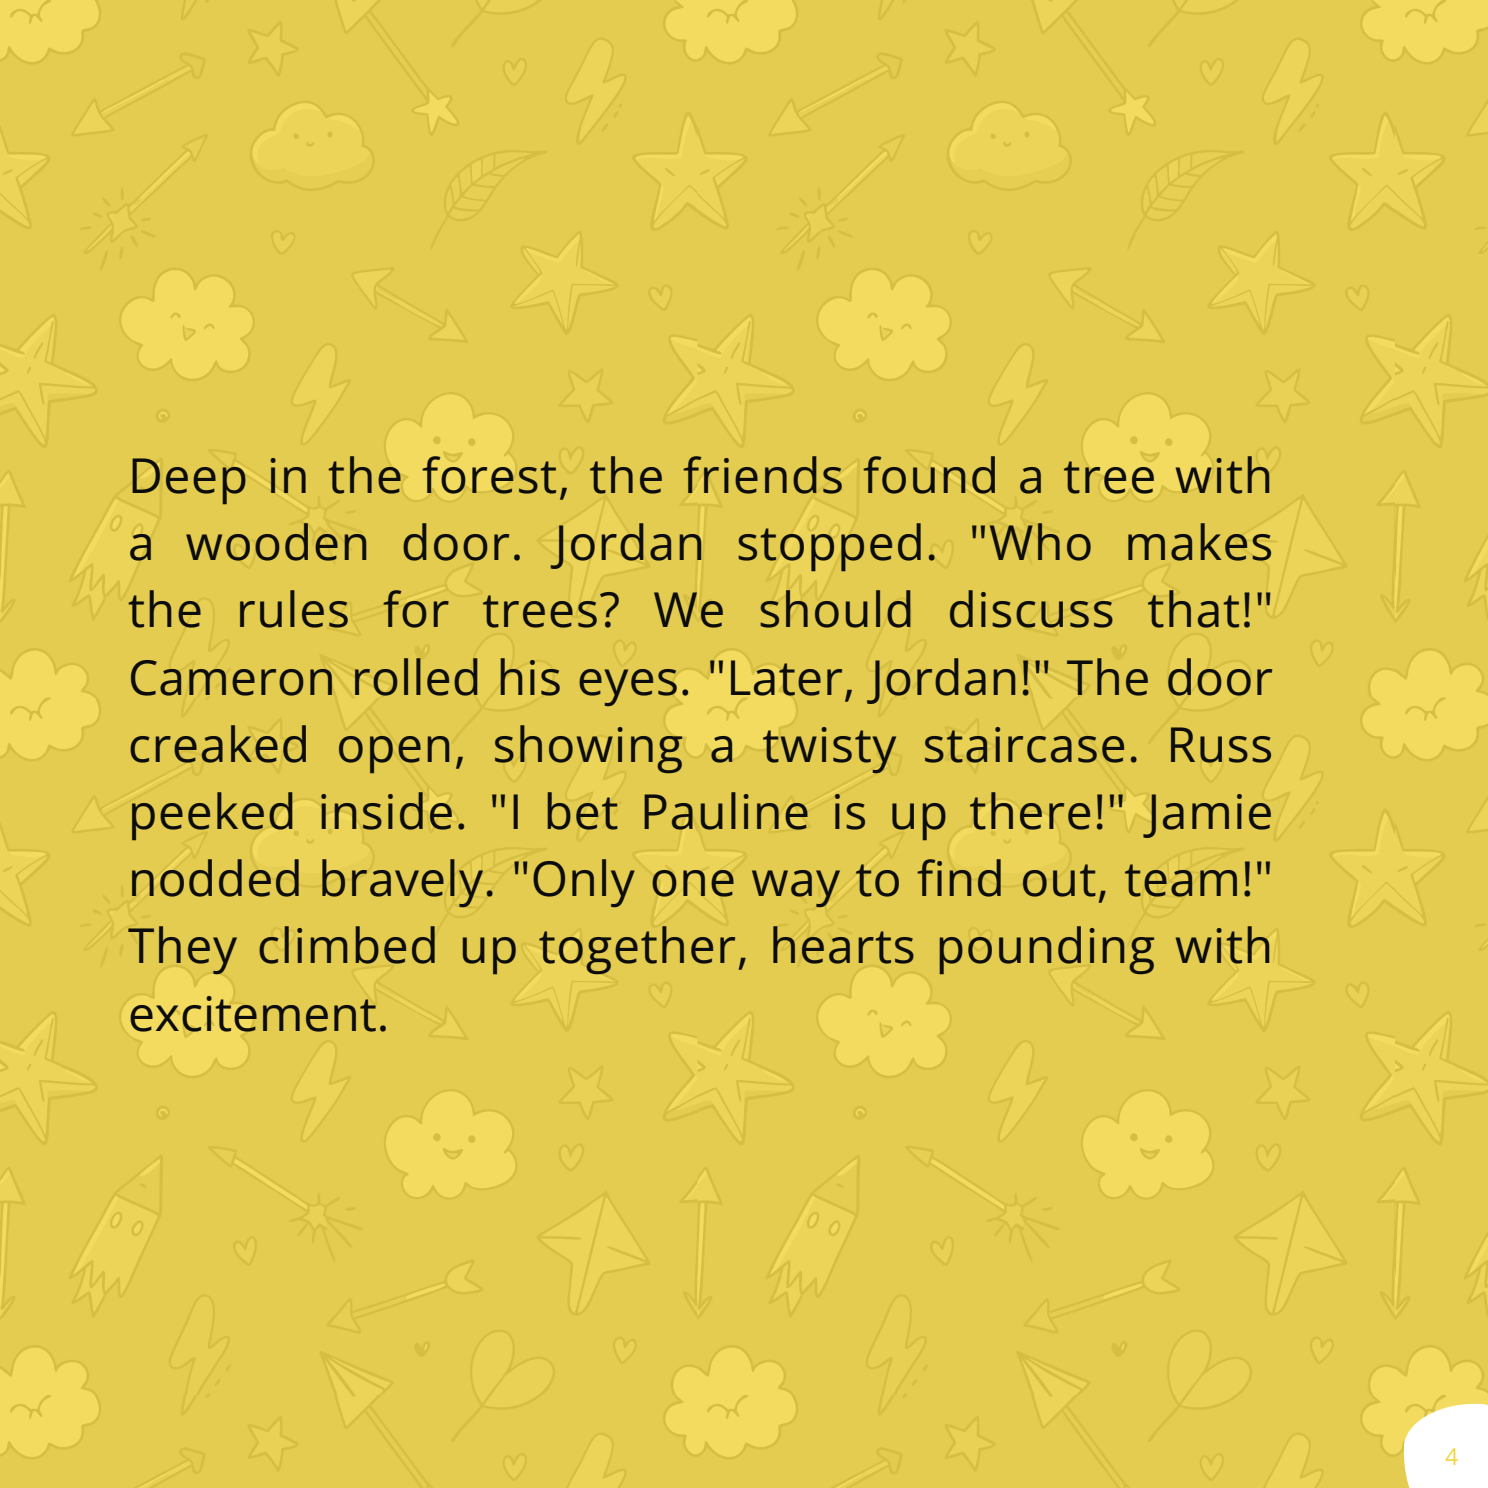

BY [CHILDBOOK.AI](https://childbook.ai)

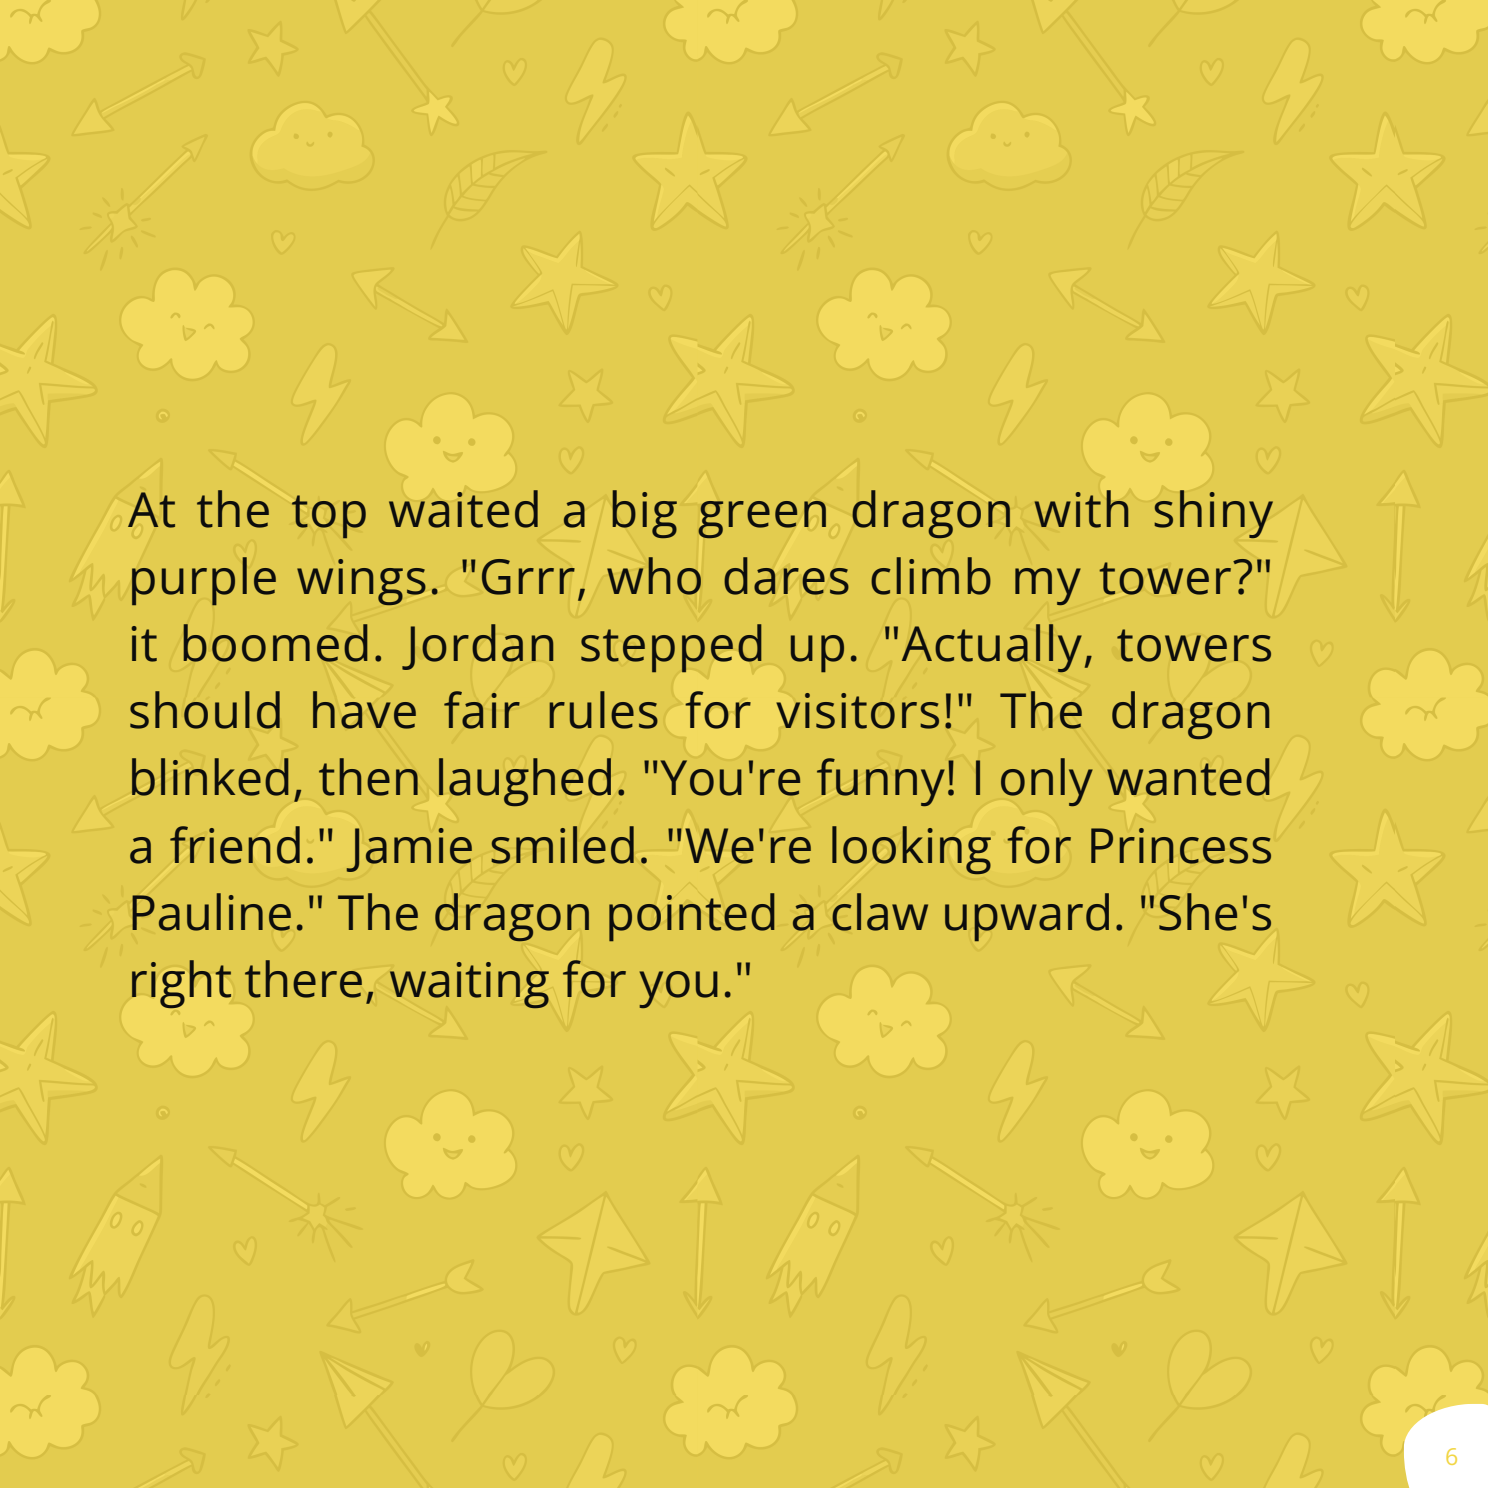

Cameron, Jordan, Russ, and Jamie put on shiny armor to find Princess Pauline. "We should vote on which road to take!" Jordan said, waving his arms. Russ laughed, "Jordan, it's just a path!" Jamie pointed ahead with a grin. "Let's just walk, friends!" They marched through sunny fields, swords clinking, ready for dragons and adventure in the Land of Pauline.

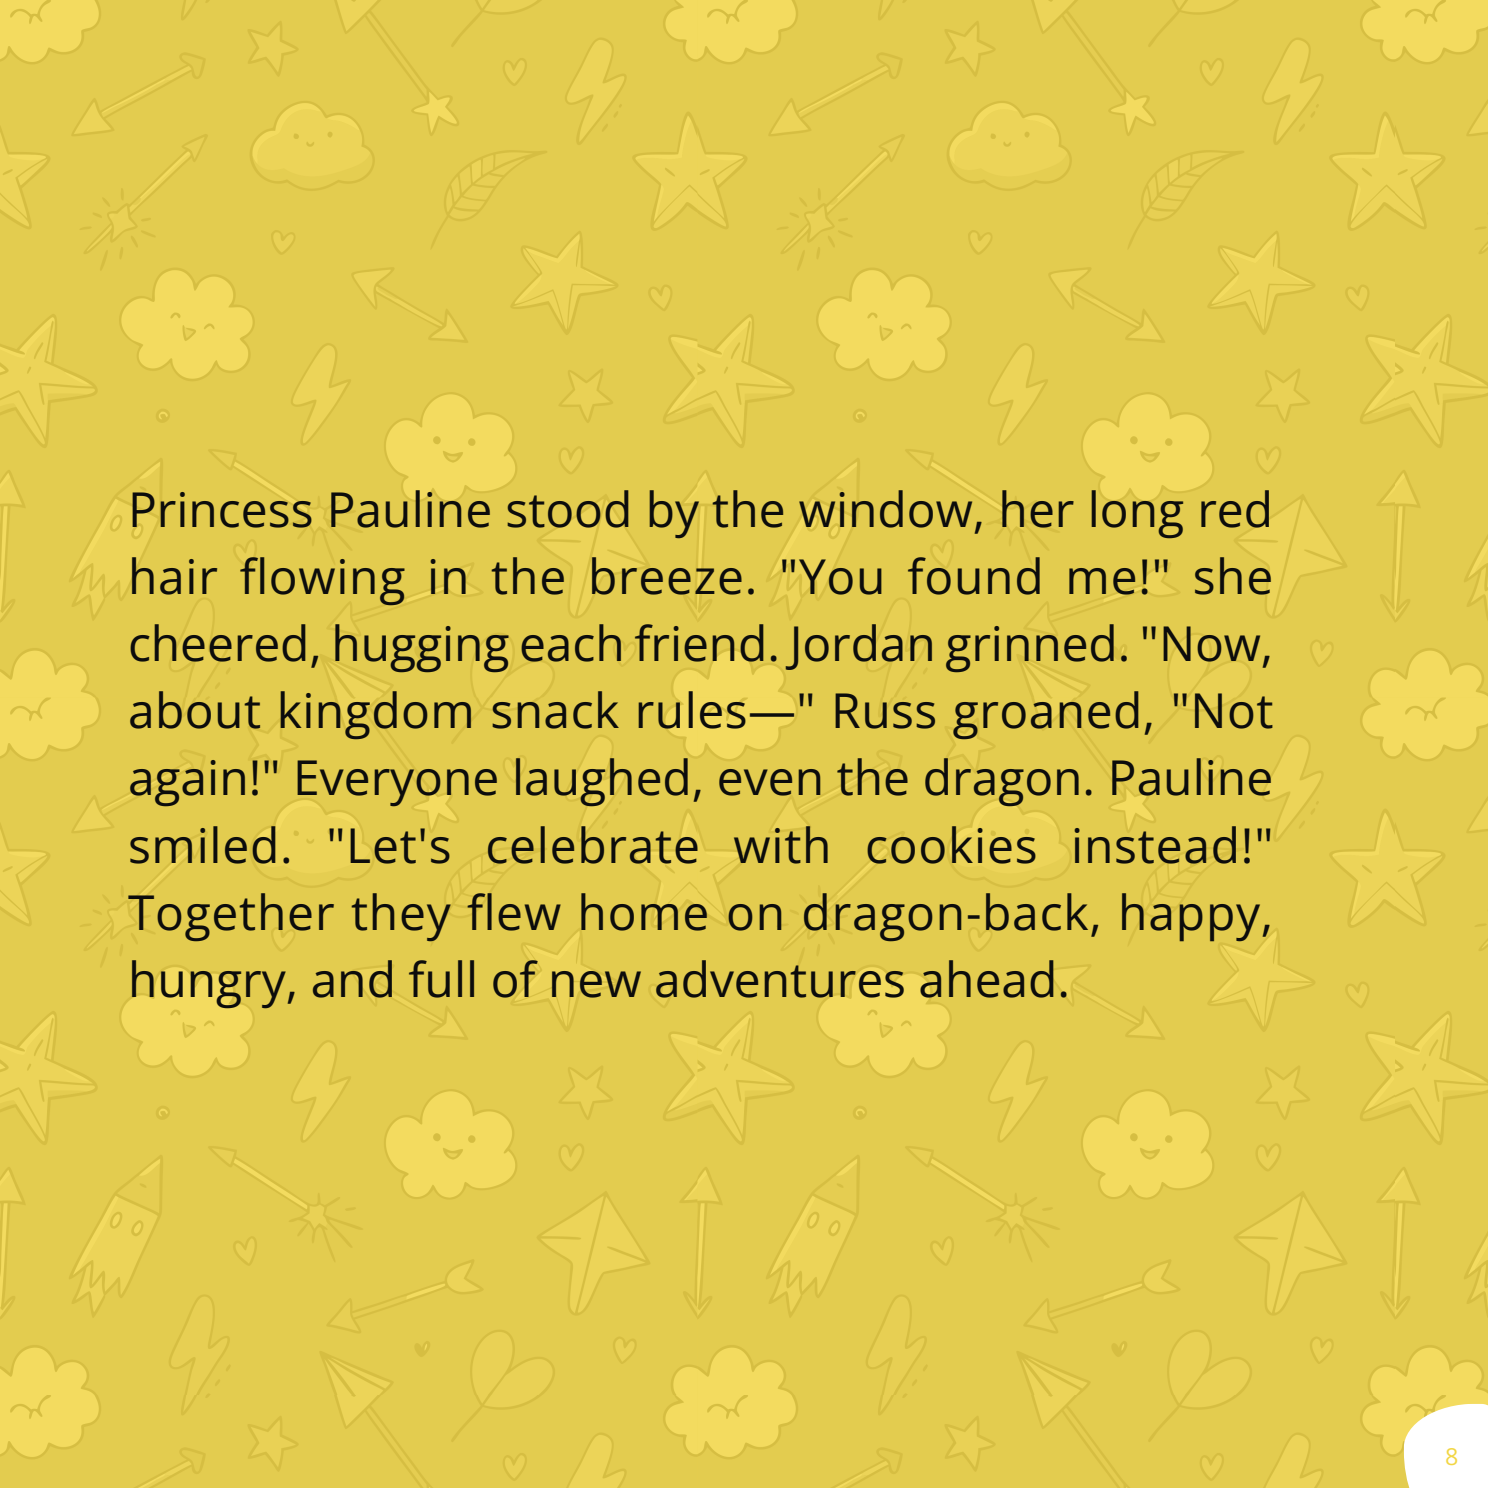

Deep in the forest, the friends found a tree with a wooden door. Jordan stopped. "Who makes the rules for trees? We should discuss that!" Cameron rolled his eyes. "Later, Jordan!" The door creaked open, showing a twisty staircase. Russ peeked inside. "I bet Pauline is up there!" Jamie nodded bravely. "Only one way to find out, team!" They climbed up together, hearts pounding with excitement.

At the top waited a big green dragon with shiny purple wings. "Grrr, who dares climb my tower?" it boomed. Jordan stepped up. "Actually, towers should have fair rules for visitors!" The dragon blinked, then laughed. "You're funny! I only wanted a friend." Jamie smiled. "We're looking for Princess Pauline." The dragon pointed a claw upward. "She's right there, waiting for you."

Princess Pauline stood by the window, her long red hair flowing in the breeze. "You found me!" she cheered, hugging each friend. Jordan grinned. "Now, about kingdom snack rules—" Russ groaned, "Not again!" Everyone laughed, even the dragon. Pauline smiled. "Let's celebrate with cookies instead!" Together they flew home on dragon-back, happy, hungry, and full of new adventures ahead.
