Once upon a time, there was a little girl named Emily who loved to learn new things. One day, Emily found herself in a strange and whimsical world called Alphabet Land. As she looked around, she saw that each letter of the alphabet was a talking character! A was an apple, B was a bear, and C was a cat. Emily was

amazed and excited to learn more about this magical place.

Emily walked up to the letter A, who was a friendly apple. A said, 'Hello, Emily! Would you like to learn some words that start with the letter A?' Emily nodded eagerly, and A began to teach her. 'A is for apple, ant, and airplane,'

said A. Emily repeated the words and felt proud to have learned something new.

Next, Emily met the letter B, who was a big brown bear. B said, 'Hello, Emily! Would you like to learn some words that start with the letter B?' Emily nodded eagerly, and B began to teach her. 'B is for bear, ball, and banana,'

said B. Emily repeated the words and felt happy to have learned more.

Emily continued her journey and met the letter C, who was a cute little cat. C said, 'Hello, Emily! Would you like to learn some words that start with the letter C?' Emily nodded eagerly, and C began to teach her. 'C

is for cat, car, and cake,' said C. Emily repeated the words and felt excited to keep learning.

Emily met the letter D, who was a friendly dog. D said, 'Hello, Emily! Would you like to learn some words that start with the letter D?' Emily nodded eagerly, and D began to teach her. 'D is for dog, duck, and donut,' said D.

Emily repeated the words and felt like a smart student.

Emily met the letter E, who was a big grey elephant. E said, 'Hello, Emily! Would you like to learn some words that start with the letter E?' Emily nodded eagerly, and E began to teach her. 'E is for elephant, egg, and

envelope,' said E. Emily repeated the words and felt like a true scholar.

Emily met the letter F, who was a green frog. F said, 'Hello, Emily! Would you like to learn some words that start with the letter F?' Emily nodded eagerly, and F began to teach her. 'F is
