

FUNNY BUN

by childbook.ai

Once upon a time, in a cozy little cottage, there lived an old man and an old woman. They were kind and hardworking.

One day, the old man asked the old woman to bake a kolobok, a round bun made from dough. The old woman gathered the last crumbs of flour and baked a delicious kolobok.

As the kolobok cooled on the windowsill, it suddenly rolled off and started to run away. The round bun rolled merrily down the road, leaving the cottage behind.

On its journey, the kolobok met a hare. The hare was hungry and wanted to eat the kolobok. But the clever bun sang a song and managed to escape from the hare.

Next, the kolobok encountered a wolf. The wolf's mouth watered at the sight of the tasty bun. Once again, the kolobok used its wit and escaped from the wolf.

As the kolobok continued its journey, a bear appeared in its path. The bear growled hungrily, but the kolobok outsmarted the bear with its clever rhyme and rolled away safely.

Just when the kolobok thought it was safe, a sly fox approached. The fox flattered the kolobok and tricked it into coming closer. In the end, the fox managed to catch and eat the mischievous kolobok.

Even though the kolobok was clever, it was eventually outwitted by the fox. The story teaches us that being too boastful can sometimes lead to trouble. It's important to be smart and humble.
