

PART 1

by childbook.ai

Titi and Bobo were walking home from school, chatting about their day. The sun was shining, and birds were singing. It was a perfect afternoon. Suddenly, they noticed a stranger following them.

The stranger quickened his pace and reached out towards Titi. Bobo quickly grabbed Titi's hand and shouted, 'Stay away from my sister!' The stranger stopped, looking surprised. Titi felt scared but safe with Bobo there.

Bobo remembered what their parents had taught them about strangers. He told Titi to run to the nearest shop while he watched the stranger. They ran together, reaching a friendly shopkeeper who called their parents. The stranger walked away, leaving them safe.

Their parents arrived quickly, hugging them tightly. They praised Bobo for being brave and protecting Titi. The family learned the importance of sticking together and being cautious. From then on, they made sure to always walk home together, feeling a little safer.
