

LEONARDI THE FOREST FOX IN THE MAGIC FORREST

by childbook.ai

Leonardi the cute little fox loved the forest. He wanted to make sure it stayed clean and healthy. One day, he had a brilliant idea. He decided to create a weekly plan to help the forest animals keep their home tidy. He called a meeting with Die weise eule and Trixi to share his idea.

Die weise eule, the wise owl, thought it was a wonderful idea. Trixi, the little squirrel, was excited and ready to help. They all sat together and started to think of tasks for each day. Leonardi wrote everything down on a big piece of paper. They made sure everyone in the forest had a job to do.

Once the plan was ready, they needed a place to put it. Die weise eule suggested they hang it on the Big Tree in the center of the forest. Everyone agreed it was the perfect spot. Leonardi climbed up and pinned the plan on the tree. Now, all the animals could see it and follow the tasks.
