Timmy was a very shy little boy. He loved to read books and play with his toys alone. One day, his friends Masha and Kolya invited him to go on a treasure hunt. Timmy was nervous but decided to join them. Little did he know, this adventure would change his life forever.

Masha found an old map in her attic. The map showed a path to a hidden golden star in the forest. Kolya was excited and ready to go, but Timmy felt a bit scared. Despite his fear, Timmy agreed to help his friends. They packed some snacks and set off on their journey.

The forest was dark and full of strange noises. Masha led the way with the map, while Kolya and Timmy followed closely. Suddenly, they heard a rustling sound behind them. Timmy's heart raced, but he knew he had to be brave. He turned around and saw a friendly squirrel, who showed them the right path.

Finally, they reached a clearing where the golden star was hidden. It was stuck high up in a tree. Kolya tried to climb, but he couldn't reach it. Timmy took a deep breath and decided to give it a try. With courage and determination, he climbed the tree and grabbed the golden star. His friends cheered, and Timmy realized he was a hero after all.
