

**MOMMY LOVES YOU!**

by [childbook.ai](https://childbook.ai)

Oh little baby, you will never know. Mommy loves you so! You changed my world, in so many ways. Even though you aren't here yet, we are bonding you just don't know.

Every day I think about you, what I can do for you. I am preparing for your arrival, making your room nice and comfortable. I hope you like it. I hope you love me as much as I love you.

Oh baby boy, I can't wait until you come home. I waited all my life for you, and I promise to love you always. I promise to protect you forever, my little baby boy. Mommy loves you!

Mommy's heart is full of joy, waiting for you. I dream of the day I hold you in my arms. You are my little miracle, my precious baby boy. Mommy loves you more than words can say!
