by childbook.ai

John Jr and Nazut went to visit Granny. Granny had made some tasty cookies and fruit smoothies for their visit. They were both excited to see what Granny had in store for them. Granny also had a surprise for John Jr and Nazut.

Granny came back from her room with a space-themed box and a headset. She handed the box to John Jr. When he opened it, David Bowie's song 'Space Oddity' started playing. Nazut got the headphones and listened to the music.

Granny told John Jr that there is a trick to get the box to open. She explained that only a kind heart could open it. She said a kind heart shows empathy by understanding and caring about others. Granny inspired John Jr to do kind things like cheer up a sad friend or bring a toy to a crying sibling.

John Jr and Nazut's visit was over, and John Jr took his musical box home. John Jr was a bit temperamental and couldn't get his box to open. He started practicing patience, and his temper tantrums disappeared. Finally, he had the kindness in his heart for the box to open and play 'Space Oddity'.

Then, John Jr and Nazut found themselves floating in space. They became friends with a young star. The star gave John Jr a tour of the universe. John Jr especially enjoyed seeing Planet X.

John Jr and Nazut visited many amazing places in the universe. They saw sparkling galaxies and colorful nebulas. They even met friendly aliens who welcomed them warmly. It was the most exciting adventure they had ever experienced.

After their incredible journey, it was time for John Jr and Nazut to return home. They thanked the young star for the wonderful tour. With a wave of the star's hand, they were back in Granny's living room. Granny was waiting with a warm smile and a hug.

John Jr and Nazut got ready to eat dinner. They told Granny all about their amazing adventure in space. Granny was delighted to hear their stories. They enjoyed a delicious meal together, feeling happy and content.
