

# LEGEND OF PINEAPPLE

by [childbook.ai](https://childbook.ai)

Once upon a time, in the middle of a lush, green forest, there lived a pineapple named Pina. Pina was no ordinary pineapple; Pina had many eyes. Pina could see everything happening around the forest. All the other plants admired Pina for her unique gift. They often came to her for advice and guidance.

One day, the forest was in trouble. A big storm had knocked down many trees and plants. The animals were scared and didn't know what to do. The plants turned to Pina for help. Pina used her many eyes to look around and find a solution.

Pina saw that the fallen trees had blocked the river. Without water, the plants and animals would be in danger. Pina came up with a plan to clear the river. She asked the animals to help move the fallen trees. Together, they worked hard to unblock the river.

Thanks to Pina's many eyes and smart thinking, the river flowed again. The plants and animals were happy and safe. They thanked Pina for her help and celebrated together. Pina felt proud and happy to have helped her friends. From that day on, the forest knew they could always count on Pina.
