

MY DADDY IS A FIREFIGHTER

by Jenna Barbee & AI

Weeeoooo weeeoohere comes my daddy!

When Elias arrived at the fire station, he was greeted by Dad and his team. They were all wearing bright yellow uniforms. Dad introduced Elias to his friends, who were all very friendly. Elias felt like he was part of the team. They even let him try on a small firefighter hat!

Elias's eyes widened when he saw the firetruck up close. It was big and red, just like he imagined. Dad showed him the hoses and ladders. Elias even got to sit in the driver's seat. He pretended to steer the truck, feeling like a real firefighter.

Suddenly, an alarm rang loudly in the station. It was time for a fire drill! Dad explained that they practiced to be ready for real emergencies. Elias watched as the firefighters quickly put on their gear. He cheered them on, feeling proud of his dad and his team.

After the drill, Dad talked to Elias about fire safety. He taught him to stay low if there's smoke and to find a safe way out. Elias listened carefully, understanding how important it was. Dad promised to always keep everyone safe. Elias nodded, feeling a little braver.

The firefighters invited Elias to have lunch with them. They all sat around a big table and shared stories. Elias loved hearing about the adventures they had while helping people. Dad told a funny story that made everyone laugh. Elias felt happy being with such kind and brave people.

Before leaving, Dad had a surprise for Elias. He gave him a small toy firetruck to remember his visit. Elias was thrilled and hugged Dad tightly. He promised to take good care of it. Elias waved goodbye to everyone, feeling grateful for the wonderful day.

That night, Elias went to bed with a big smile. He dreamed of being a firefighter just like Dad. In his dream, he saved the day and helped many people. Elias knew that one day, he would be a hero too. For now, he was happy to have the best dad in the world.
