

THE STRONG AND SAFE BOOK

by childbook.ai

One sunny afternoon, Nondu and Siya were playing in the park. They loved to swing and slide, but today they had a special idea. Nondu said, 'Let's make a book about staying safe!' Siya nodded excitedly and agreed it was a great idea. They decided their book would

help other kids understand good and bad touches.

Nondu and Siya asked their friends to share stories. Some friends talked about how hugs from family felt nice. Others mentioned how important it was to say 'no' if they felt uncomfortable. They learned that it's okay to

talk to a trusted adult if something feels wrong.

Nondu and Siya worked hard to write their book. They drew pictures and wrote about feelings and respect. They included a list of trusted adults to talk to. The book was

colorful and full of helpful tips. They named it 'The Strong and Safe Book'.

The day finally came to share the book with their friends. Everyone gathered around to listen as Nondu and Siya read aloud. The kids loved the stories and learned a lot about staying safe. Nondu and Siya felt proud to

help their friends. They knew their book would keep everyone strong and safe.
