

# HERE COMES THE DIGGER

by [childbook.ai](https://childbook.ai)

Ezzy was a curious little boy who loved watching the world outside his window. One sunny morning, he heard a loud rumbling noise. Excitedly, he peeked out and saw a big yellow digger. 'Here comes the digger... dig, dig, dig!' he sang joyfully. Ezzy couldn't wait to see what the digger would do next.

The digger was busy digging up the earth in the park across the street. Ezzy watched as it scooped up piles of dirt and moved them around. He imagined himself as the driver, steering the giant machine. The digger was making a new playground for all the children to enjoy. Ezzy was thrilled at the thought of playing there soon.

The next day, Ezzy decided to visit the park to see the digger up close. He held his mom's hand tightly as they walked towards the construction site. The digger was even bigger than he imagined! A friendly worker waved at Ezzy and explained how the digger worked. Ezzy listened carefully, dreaming of being a builder one day.

Finally, the playground was ready, and Ezzy was the first to try it out. He climbed the new slides and swung on the swings with his friends. 'Thank you, Mr. Digger!' he shouted happily. The park was now a place of fun and laughter for everyone. Ezzy knew he would always remember the digger that built his favorite playground.
