

# CAN'T WAIT FOR RECESS

by [childbook.ai](https://childbook.ai)

In Ms. Green's classroom, Abby, Julio, Lily, and Raj sat, fidgeting in their seats. They could hardly focus on math problems because their minds were already on the playground. Abby whispered, 'Only ten more minutes until recess!' Julio grinned, 'I can't wait to try out my new obstacle course idea!' Lily reminded them, 'Remember, we have to be fair and take turns.'

Finally, the bell rang, and the four friends dashed out the door. Julio led the way, explaining his new obstacle course with excitement. 'First, we jump over the benches, then crawl under the slide, and finish with a cartwheel!' he announced. Abby was already lining up, ready to race through the course. Raj quietly added, 'I think we should add a secret handshake at the end.'

The playground was alive with laughter as the friends tackled the course. Julio's cartwheel ended in a tumble, making everyone giggle. Abby completed the course with a triumphant shout, 'I did it!' Raj suggested a new twist, 'Let's make the handshake more fun, like this!' Lily clapped her hands, 'Great idea, Raj! Now everyone gets a turn to lead.'

As recess ended, the friends gathered for one last secret handshake. 'We're Recess Obsessed!' they chanted together, promising to meet again tomorrow. Julio laughed, 'I'll think of more challenges tonight!' Abby nodded, 'And I'll be ready to win!' Raj smiled, feeling happy that his ideas were part of their fun. Lily added, 'Recess is always better with friends.'
