Chloe and Christian were excited to spend the afternoon at the playground. They loved the swings, slides, and especially the sandbox. Chloe was always full of energy, and Christian loved to watch her run around. Today, they decided to play a new game called "Treasure Hunt." They were ready for an adventure!

Chloe had drawn a treasure map on a piece of paper. She handed it to Christian, who looked at it with wide eyes. The map led them to different parts of the playground. They had to find clues hidden under the slide, near the swings, and in the sandbox. Christian was excited to find the first clue!

Christian and Chloe worked together to solve the clues. Christian was great at spotting things, and Chloe was good at figuring out the riddles. They laughed and cheered each time they found a new clue. The final clue led them to a big oak tree at the edge of the playground. They knew the treasure was close!

Under the oak tree, they found a small box wrapped in colorful paper. Inside, there were two shiny medals with their names on them. Chloe and Christian hugged each other, feeling proud of their teamwork. They learned that working together made

everything more fun. It was the best treasure hunt ever!
