

FIRST DAY JITTERS

by childbook.ai

Alex had fun all summer. She played in the park and visited her grandparents. Every day was a new adventure. She loved doing things her way all day. But then, her mom told her school was starting next week.

Alex was confused and a little sad. She didn't want summer to end. Her mom explained that school could be fun too. Alex's dad said she would learn many new things. They promised everything would be okay.

Mom and Dad spent the rest of summer helping Alex get ready. They talked about all the fun she'd have. They said she'd make new friends and learn her ABCs. Alex listened carefully, feeling a bit better. Her parents wanted her to have the best year.

When the first day of school came, Alex was a little nervous. But she remembered her parents' words and felt brave. She met her teacher and made new friends. At the end of the day, her parents were waiting with open arms. Alex said she had the best day ever.
