

# DONNA THE LLAMA ADVENTURES

by [childbook.ai](https://childbook.ai)

Once upon a time, there was a llama named Donna who loved her pink pajamas. Her pajamas had little iguanas on them, which made them extra special. One sunny morning, Donna decided she would wear her pajamas all day long. Her mama llama said, 'Donna, it's time to change into your day clothes.' But Donna shook her head and said, 'I want to stay in my pajamas forever!'

Donna's friends came over to play, but they were all dressed for the park. 'Aren't you coming with us, Donna?' they asked. Donna hesitated because she didn't want to take off her pajamas. She remembered her mama saying, 'Ecclesiastes 3:1 - There is a time for everything.' Donna wondered if it was time to change.

Donna decided to pray and ask for guidance. She realized that wearing pajamas all day might not be the best idea. Donna thought about how Jesus taught about being ready for different moments. She decided to change into her day clothes so she could join her friends. Her friends cheered, 'Yay, Donna!'

Donna had a wonderful time at the park with her friends. She learned that change can be good and bring new adventures. Donna thanked her mama for the wise advice. She also remembered to thank God for helping her make the right choice. From that day on, Donna knew that there was a time for everything, including pajamas.
