

GAIA BECOMING A BIG SISTER

by childbook.ai

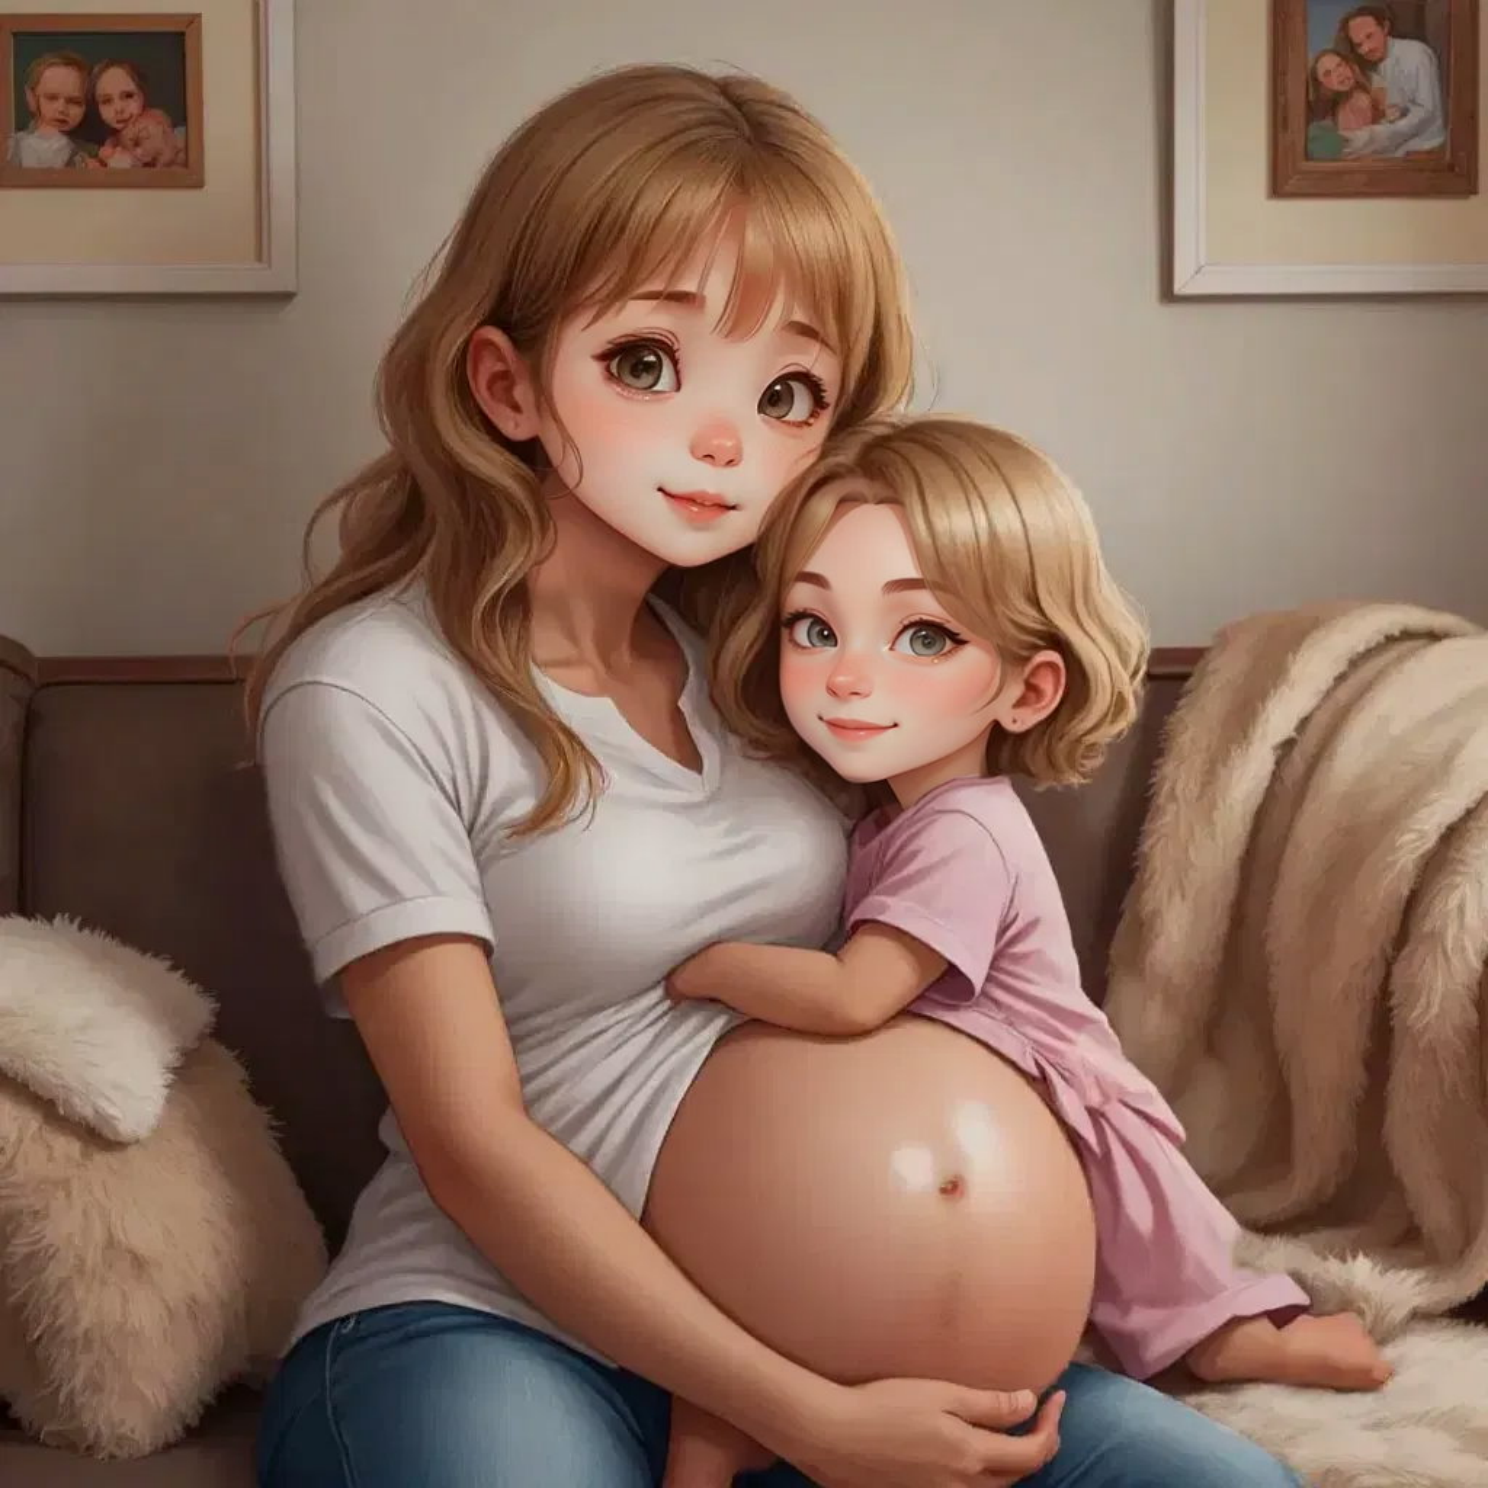

Gaia was playing in the living room with her big black dog, Kara, and her fluffy cat, Echo. Kara loved to chase the ball Gaia threw. Echo would purr and rub against Gaia's legs. The room was filled with laughter and happy barks.

Gaia noticed Mama's belly was rounder than usual. She gently touched Mama's belly with curiosity. Mama smiled and said, 'There's a baby inside, Gaia.' Gaia giggled and hugged Mama tightly.

Mama always had the warmest hugs. Gaia felt safe and loved in Mama's arms. Mama whispered, 'You'll be a wonderful big sister soon.' Gaia nodded, feeling excited about the new baby.

One morning, Mama told Gaia she was going to the hospital. 'The baby is ready to meet us!' Mama said with a smile. Gaia waved goodbye as Daddy took Mama to the hospital. She couldn't wait to meet her new sibling.

While Mama was at the hospital, Daddy and Gaia had lots of fun. They drew colorful pictures and played with Kara and Echo. Kara wagged her tail happily, and Echo purred loudly. Gaia felt happy and loved.

After a few days, Mama came home with a tiny baby named Zoi. Gaia was so excited to see her little sister. Mama gently placed Zoi in Gaia's arms. Gaia smiled and whispered, 'Hello, Zoi.'

Zoi began to cry softly, and Gaia felt worried. Mama hugged Gaia and said, 'It's okay, babies cry sometimes.' Gaia nodded and softly patted Zoi's back. Zoi stopped crying and looked at Gaia with a tiny smile.

The whole family gathered in the living room. Kara lay beside them, and Echo curled up on Mama's lap. Gaia felt so happy with her family all together. She knew she would always be there for her little sister, Zoi.
