

# JUDE LOST HIS NAME

by [childbook.ai](https://childbook.ai)

One sunny morning, Jude woke up feeling a bit strange. He couldn't remember his own name! Jude looked around his room, hoping to find a clue. His toys and books seemed to whisper, but they didn't tell him his name. Jude decided he needed to go on an adventure to find it.

Jude walked to the nearby forest, where he often played. As he wandered, he spotted a shiny letter 'J' on a tree trunk. 'This must be part of my name!' Jude exclaimed happily. He picked it up and tucked it into his pocket. The forest seemed full of secrets, and Jude felt hopeful.

Jude followed the sound of a bubbling river. There, floating on a lily pad, was the letter 'U'. Jude carefully reached out and grabbed it. 'Now I have two letters!' he cheered. The river seemed to giggle as it flowed by, encouraging Jude to keep searching.

Jude continued his journey, finding the letters 'D' and 'E' near a meadow filled with flowers. As he collected the last letter, a warm feeling spread through him. Jude realized that his name was always with him, inside his heart. With a joyful shout, he remembered, 'My name is Jude!' and skipped home happily.
