

THE TIME KEEPER KIDS

by childbook.ai

One sunny afternoon, Jake and Mia were excited to play at the park. Their mom reminded them, "Be home by 5:30 P.M. to help with dinner."

When they arrived at the park, Mia checked her watch. "It's 4:00 P.M., so we can play until 5:30 P.M. Let's use our time wisely!" Jake and Mia enjoyed playing on the swings, running races, and even making new friends.

Mia checked her watch again. "Jake, we only have 30 minutes left. Let's start wrapping up"

"Just five more minutes?", Jake pleaded. But Mia said, "Mom trusts us to be responsible with time. If we leave late, we won't be able to help her with dinner"

Realizing she was right, Jake agreed, and they arrived at home just in time to help their mother set the table.

That evening, their mother smiled and said, "I'm proud of you both for managing your time wisely. Because you were responsible, we were able to enjoy dinner together as a family".

The End.
