

# THE LIFE OF COLLIN

by Charl & AI

Collin woke up wrapped in his blue blanket. He jumped out of bed and put on his favorite Paw Patrol shirt. Today was going to be a great day for adventures!

Mom made Collin's favorite breakfast - egg and toast. Collin pretended his spoon was Chase's megaphone. "Ruff, ruff! This breakfast needs saving!" he announced proudly.

After breakfast, Collin rushed to his green bicycle. In his imagination, it wasn't just a bike but Chase's police vehicle. He patrolled the safe path outside his apartment building.

At the neighborhood park, Collin spotted a cat stuck in a tree. "This looks like a job for Chase!" he declared. Collin called for his dad who helped the cat down safely.

Collin loved how blue the sky was today. He pointed out cloud shapes to his mom. "That one looks like Chase's hat!" he giggled happily.

Rain tapped against the window as Collin played indoors. He built a Paw Patrol lookout tower with blocks. His blue toy cars became the Paw Patrol vehicles racing to save the day.

Winter finally arrived in Hong Kong with a rare, light snowfall. Collin pressed his face against the window in wonder. "Chase needs his snow gear!" he exclaimed excitedly.

Bundled in his blue winter coat, Collin explored the cold day. He pretended to be Chase on an Arctic mission. His breath made little clouds in the chilly air.

On Collin's birthday, he received a new blue Chase toy. His cake was decorated with Paw Patrol figures. Collin couldn't stop smiling as everyone sang "Happy Birthday."

Spring brought perfect weather for bicycle rides. Collin pedaled his green bike faster than ever before. "Chase is on the case!" he called out to the birds overhead.

As bedtime approached, Collin arranged his Paw Patrol toys on his shelf. He wore his blue pajamas with paw prints. Mom read him a story about brave puppies saving the day.

Collin snuggled under his blue blanket, hugging his Chase plushie. He dreamed of tomorrow's adventures. In his dreams, he and Chase rode a green bicycle through the winter snow.
