

# ABDULLAH AND THE BOUNCE LAND

by [childbook.ai](https://childbook.ai)

Abdullah loved his red ball more than any toy. He bounced it in the garden every day. Sometimes, he hugged it while sleeping. His ball was his best friend.

Home is Where  
HINGLES

One sunny morning, Abdullah's ball glowed with sparkly light. When he bounced it, the ball bounced higher and higher. Suddenly, Abdullah was floating too! He giggled as they soared into a colorful sky.

Abdullah landed softly on a bouncy ground. Everything around him was round and ball-shaped! Trees had ball fruits and houses were big bubbles. A smiling orange ball rolled up to him saying, "Hello, I'm Ballie!"

Abdullah and Ballie played bounce games all day long. They jumped on bouncy mountains and swam in ball pits. When the sun set, Ballie helped Abdullah bounce home. Abdullah fell asleep hugging his special red ball.
