

# CHARLI GROWING UP

by [childbook.ai](https://childbook.ai)

Charli was playing with her toys when a fluffy Easter Bunny appeared. "Hello Charli," said Easter Bunny, tipping his top hat. "I've come with a special offer for big girls like you." Easter Bunny explained that he could trade Charli's dummy for delicious chocolate eggs.

Charli loved her dummy very much. She held it tight while thinking about Easter Bunny's words. Charli saw her reflection and noticed she was getting bigger. Maybe it was time for a change.

That night, Charli kissed her dummy goodbye. "I'm a big girl now," she whispered bravely. She placed it carefully by the window for Easter Bunny. Then she snuggled into bed, dreaming of chocolate eggs.

Morning sunlight woke Charli with a golden glow. Her dummy was gone! In its place sat a beautiful basket of treats. Charli smiled proudly, feeling like a big girl. Growing up wasn't so scary after all.
