

# ROSIE'S RODEO ROUNDUP

by [childbook.ai](https://childbook.ai)

Rosie woke up with a big smile because today was rodeo day! She put on her red cowgirl hat and sparkly boots that went click-clack. 'Time to stretch like the morning sun,' Rosie said, reaching her arms high to the sky. Her puppy Patch wagged his tail as they headed outside to meet their animal friends.

At the barn, Horse neighed hello and Cow gave a friendly moo. 'Let's warm up together,' suggested Rosie, bending side to side like swaying grass. Chicken flapped her wings while Sheep did little jumps that made everyone giggle. Rosie led them all in big arm circles that went round and round.

The rodeo began with Horse showing everyone how to gallop in a circle. Rosie lifted her knees high and stomped her boots in the dusty arena. Chicken taught a spinning dance that made Rosie's skirt twirl like a merry-go-round. Cow and Sheep clapped their hooves as Rosie balanced on one foot like a rodeo star.

ROVION

As the sun began to set, all the animals gathered for the final dance. Rosie led everyone in a happy line, kicking their legs and waving their arms. They stomped three times, then jumped with joy, making the ground rumble. 'Best rodeo ever!' cheered Rosie, taking a bow with all her friends.
