

ENOCH'S MOTHERS DAY GIFT

by Charl & AI

Enoch hugged his mom and whispered, "I have a surprise for you, Mommy!" He wanted to find the coolest gift—the special drone-watch. Enoch smiled and said, "It's going to fly in the sky and swim underwater!" His mom laughed, "That sounds amazing, Enoch!" Enoch grabbed his iPad and grinned. "Doctor iPad, can you help me?"

The iPad's screen glowed, and a smiling doctor appeared. "How can I help you today, Enoch?" the iPad doctor asked. Enoch beamed, "I need to make a drone-watch for Mother's Day!" The iPad doctor nodded, "Let's build it together!" Enoch clapped his hands excitedly. He couldn't wait to see his mom's face.

Enoch held up two buttons labeled 'T' and 'W.' "T is for turning into a drone, and W is for water-submarine!" he explained. The iPad doctor said, "Let's connect them to the watch." Enoch carefully pressed the buttons onto the watch. The iPad doctor winked, "It's ready to test!" Enoch giggled and nodded.

Enoch pressed 'T,' and the watch turned into a whirring drone. It zipped around the living room, making his mom smile. "Wow!" she exclaimed, clapping her hands. "I want to see the submarine!" Enoch quickly pressed 'W.' The drone splashed into a water bowl, becoming a tiny submarine. Everyone cheered!

Enoch wrapped the watch in shiny paper and gave it to his mom. "Happy Mother's Day!" he said proudly. Mom opened the gift and gasped, "A drone and a submarine!" Enoch hugged her. "You can explore the sky and sea!" His mom laughed with delight, "Best gift ever!"

Enoch whispered, "Let's celebrate with your favorite—sushi!" Mom smiled, and Enoch giggled, "The submarine can fetch the soy sauce!" The tiny drone-submarine zoomed to the kitchen and returned. Mom clapped and laughed, "What a handy gift!" Enoch and his mom shared sushi and happy hugs. The iPad doctor waved from the screen.

Mom said, "Let's fly to the window first." Enoch carefully navigated the drone outside. Then, he pressed 'W,' and the submarine dived into their small fish tank. Enoch's mom watched in amazement as it made tiny bubbles. "This is magic!" she said softly. Enoch beamed, "Happy Mother's Day, Mommy!"

Happy Mother's Day

As the sun set, Mom hugged Enoch tightly. "I love you so much," she whispered. Enoch smiled wide. "You're the best mom ever!" The iPad doctor winked and said, "Great job, Enoch!" They all laughed, ending a perfect Mother's Day together.
