Billie Eilish, with her cool black hair, said, "Let's put on a music show for everyone!" Her friends cheered and tuned their instruments excitedly.

Sabrina Carpenter danced into the room, smiling wide. "I can't wait to sing with you, Billie!" she exclaimed, giving Billie a big hug.

Rihanna entered next, wearing sparkly shoes. "The stage is ours tonight!" she laughed, high-fiving Billie and Sabrina. The friends felt ready to shine.

Chappell Roan waved and twirled, her bright outfit dazzling. "Let's make our show colorful and fun!" she suggested, making everyone giggle with excitement.

Beyoncé smiled warmly and said, "Together, we can make magic!" All the artists gathered and shared their ideas for the concert. The planning began!

"We could sing a song about friendship!" said Billie. Sabrina suggested adding fun dance moves. Rihanna hummed a catchy tune, and everyone started practicing.

Chappell spun around the stage, Sabrina made everyone laugh, and Billie sang softly. Beyoncé nodded, "Great job, team!" The group felt more confident.

The curtains opened, and bright lights shone on the stage. "Here we go!" whispered Sabrina to Billie. The crowd started clapping and smiling.

Rihanna began the first song, her voice clear and strong. Billie and Beyoncé joined in, blending their sounds. Chappell and Sabrina danced joyfully.

After the last song, the audience cheered loudly. Billie grinned and waved. "That was awesome!" she said, hugging her friends tightly.

Sabrina handed out cupcakes backstage. "We did it together!" Beyoncé said. Everyone laughed and shared stories about their favorite part of the show.
