

ANTUAN AND THE COCONUT ISLAND ADVENTURE

by **Maryann Webb & AI**

One sunny morning, Antuan found a glowing golden coconut on the beach. He poked it, and it popped open with a giggle! Out rolled Tito, a tiny green turtle wearing a huge straw hat. "Hello, friend!" said Tito, smiling wide. Antuan laughed and waved. "Let's have an adventure!" Tito exclaimed.

Tito led Antuan to a giant seashell by the water’s edge. "Hop in!" Tito called as he climbed aboard. Together, they floated across sparkling waves, the coconut glowing like a lantern. "Where are we going?" Antuan asked. Tito winked, "To Coconut Island!" Antuan grinned with excitement.

They arrived at a magical island with glowing palm trees. Tito handed Antuan a coconut filled with rainbow fruit punch. Animals danced around, twirling and laughing, their fur sparkling in the lights. Antuan joined in, clapping and giggling with glee. "This is the best day ever!" he cheered. Even Tito danced with his straw hat.

As the stars twinkled, Tito smiled and said, "Time to go home, Antuan." They sailed back, sleepy but happy, the coconut now softly glowing. The beach felt magical in the moonlight. "Thank you, Tito," Antuan whispered, hugging his turtle friend. Tito waved his hat and promised, "More adventures soon!"
