

A TO Z CAR PARTS

by childbook.ai

Anna and her dog Max raced into the garage. "Let's see what car parts start with A!" Anna said. Max barked excitedly. Anna pointed to the Air filter. "A is for Air filter!" she cheered. Max wagged his tail, ready for more.

Anna crouched beside the car. "Brake pads help us stop!" she explained. Max sniffed the wheels carefully. Anna smiled, "B is for Brakes!" Max wiggled his nose.

Anna hopped into the driver's seat. "The clutch helps change gears," she said, pressing her foot down. Max watched curiously. "C is for Clutch," Anna said. Max gave a big grin.

Max peeked inside the car. Anna pointed, "This is the dashboard, full of buttons and lights!" Max touched the steering wheel with his paw. "D is for Dashboard," Anna announced. Max barked in agreement.

Anna opened the car hood. "Look, Max! The engine makes the car go." Max looked amazed at all the parts. "E is for Engine!" Anna declared. Max wagged his tail again.

Anna pointed out another part. "F is for Fuel filter. It keeps the fuel clean!" Max sniffed at it, trying to help. Anna laughed, "You're a car expert now, Max!" Max barked proudly.

Anna spun the gear stick. "G is for Gears!" she said. Max pressed his nose to the headlights. "H is for Headlights," Anna added. They giggled together and flicked them on and off.

Anna took the car keys. "I is for Ignition. This starts the car!" Max watched as Anna turned the key. The engine purred. "Vroom!" Max barked.

"J is for Jack, what we use to lift the car!" Anna said, showing Max the sturdy jack. Then she pointed to the keys. "K is for Keys, to open doors and start driving!" Max pawed at the keys, making Anna giggle.

Anna opened the glove box. "L is for Lights, like dome lights inside!" Max peeked inside and saw maps. "M is for Mirror," Anna added, pointing above. Max looked at his reflection and made a silly face.

Anna zipped to the antenna. "N is for Number plate!" she pointed. "O is for Oil cap," she said, lifting one. Max sat by the pedals. "P is for Pedals!" Anna cheered. "Q is for Quarter panel."

Anna smiled at Max. "We learned a lot about car parts from A to Z!" she said. Max barked, tail wagging fast. "Let's go for a pretend road trip!" Anna declared. They climbed in, ready for adventure.
