

# CUTE THINGS GOD HAS CREATED

BY [CHILDBOOK.AI](https://childbook.ai)

God watched the world and smiled so bright,\n"Let's  
fill it with laughter, joy, and light!"\nWith a wave of  
love, the fun begun,\nCute animals appeared, one  
by one.

God made a monkey with fur so brown,\nIt giggled  
and swung, upside down!\nLittle tail curled, hanging  
free,\nSilly monkey laughed out from the tree.

God made a bunny, soft and new,\nIt hopped  
in meadows kissed with dew.\nFloppy ears and  
whiskers twitch,\nBunny found a carrot in a ditch!

A duckling paddled in a pond so blue,\nGod made it  
yellow and fluffy, too!\nIt splashed and quacked in  
the cool spring rain,\nThen shook its feathers, back  
again.

A tiny kitten, with eyes so bright,\nGod made her  
pounce with furry delight.\nShe chased a ball across  
the floor,\nThen wiggled and purred, asking for  
more!

God made a puppy with wagging tail,\nHe played  
fetch and followed the trail.\nHe barked a laugh,  
rolled in the grass,\nHappy puppy hoped the fun  
would last!

God made a lamb, wooly and new,\nIt bounced and  
skipped, as young lambs do.\nOver green hills, it  
joyfully ran,\nBleating softly, as only lambs can.

A pink piglet danced in the hay,\nGod made it  
squeal and twirl in play.\nIt snorted, rolled in muddy  
bliss,\nGiggling for a muddy kiss!

God made a fawn with spots of white,\nIt leaped  
through shadows, swift and light.\nHiding quietly,  
playing peek-a-boo,\nIts bright eyes sparkled with  
morning dew.

A lion cub with fluffy mane,\nGod made it tiny, full  
of gain!\nIt tried to roar, a squeaky sound,\nStartled  
by its voice, it spun around.

God made an owlet wide-eyed and neat,\nIt winked  
at night, with silent feet.\nIt hooted softly on a  
moon-bright tree,\nWishing sweet dreams for you  
and me.

God made a baby, soft and new,\nWith giggles,  
smiles, and fingers, too.\nCute as any animal,  
precious and sweet,\nGod's greatest creation, none  
could beat!
