SIA COLOURING BOOKS

BY CHILDBOOK.AI

Sia opened her colouring book and saw a big ocean picture. "I want to colour the fish bright pink!" Sia giggled. She grabbed her crayons and began drawing swirly waves. Suddenly, the fish on the page wiggled! "Did you just move?" Sia asked in surprise. The fish winked at her and smiled.

Under the Sea
OCEAN WONDERS

"Come join us!" the friendly fish called. Sia closed her eyes and wished hard. With a pop, she was inside the colouring book, splashing in the cool blue water. Colourful fish swam all around her, giggling. "This is amazing!" Sia cheered. She clapped her hands with joy.

"Let’s colour the coral too!" Sia said. She picked up her pink crayon and painted bright shapes on the reef. The ocean world sparkled with new colours. The fish swirled around Sia, singing, "Thank you!" Sia did a happy twirl. "Best colouring day ever!" she said.

A friendly fish waved its fin. "Time to go home, Sia!" Sia waved goodbye and blinked. She was back in her room, holding her beautiful colouring book. The fish on the page smiled and winked. Sia grinned, "Can’t wait for our next adventure!"
