

# MOUNTAIN RESCUE

BY [CHILDBOOK.AI](https://childbook.ai)

Lulu the baby lion and her animal friends hiked up the rocky mountain. Suddenly, a thick fog rolled in! "I can't see the path!" Lulu cried. The animals huddled close. "Don't worry, Lulu," chirped a butterfly. "We'll stick together and find the trail!"

As they walked, Lulu saw a steep cliff ahead. "We need a safe way across," said Lulu, thinking hard. Just then, her butterfly friend fluttered above. "Follow me!" suggested the butterfly, leading them to a gentle slope. Lulu smiled, tail swishing. "Great eyes, friend!" she cheered.

They reached a rushing river blocking their path. Lulu looked worried, but her soft mane fluttered as she spoke, "Let's build a raft!" The animals gathered sticks, and together they built a small raft. With a push, they floated safely across. "Teamwork saves the day!" said Lulu, grinning.

In the distance, Lulu spotted a ranger hut. She let out her biggest roar, "Help!" The mountain ranger heard her and quickly came. "You're all safe now!" said the ranger, smiling. Lulu and her friends cheered. Their adventure ended with hugs and giggles.
