

SNOWBALL MAKES FRIENDS AT THE PARK

BY MR. JERRY FROM MR. JERRY'S NEIGHBORHOOD & AI

Snowball bounced beside Molly as they entered the park. The grass sparkled with dew, and birds chirped in the trees. "Ready to play?" Molly giggled, patting Snowball's fluffy back. Snowball barked with excitement. He sniffed the air and wagged his tail. The park promised a new adventure, and Snowball couldn't wait. A flurry of white fur, he ran ahead. Molly chased after him, laughing. Today felt special already.

Snowball paused under a big oak tree. Suddenly, Sam the sparrow swooped down with a flash of red feathers. "Hello, Snowball!" chirped Sam. Snowball wagged his tail, looking up with bright blue eyes. "Want to play tag?" he barked. Sam fluttered in circles above him. Molly clapped her hands, enjoying their game. Together, they chased each other's shadows. Laughter and feathers filled the morning air.

A cheerful squawk made everyone look up. Peaches, the green parrot, landed nearby. "Hello, friends!" she squawked. Sam flew down to greet Peaches. "Let's play hide and seek!" suggested Molly. Snowball barked in agreement. Peaches flapped her wings excitedly. The friends ran and flew to find hiding spots. The park became full of playful giggles and happy shouts.

Peaches hid behind a bush, blending with the leaves. Sam perched on a branch, red feathers peeking out. Snowball crawled behind a bench, his fluffy tail showing. Molly covered her eyes and counted loudly, "One, two, three!" "Ready or not, here I come!" she called. Snowball tried not to giggle as Molly searched. Peaches whispered softly from her hiding spot. Sam held completely still, watching. It was a perfect hide and seek adventure.

"Whooooo!" came a soft, friendly hoot from above. Ollie the Owl, brown and wise, swooped down from his tree. "Playing games, are we?" he asked with twinkling eyes. The friends gathered around Ollie, eager for his ideas. "Let's play follow the leader!" Ollie suggested. Snowball barked in delight. Sam and Peaches nodded, fluttering their wings. Molly clapped, happy for a new game. With Ollie leading, the fun continued.

Ollie marched in circles, flapping his wings. Snowball hopped behind, trying to flap imaginary wings. Peaches squawked and twirled in the air. Sam zigzagged quickly, making everyone laugh. Molly spun around, following the animal parade. "This is silly fun!" giggled Molly. They all followed Ollie under trees and around benches. Everyone felt included and happy. The park echoed with laughter and hoots.

Molly spread a picnic blanket on the grass. "Who's hungry?" she asked. Snowball barked and wagged his tail eagerly. Peaches nibbled on a slice of apple. Sam pecked crumbs, singing a cheerful song. Ollie enjoyed a sweet berry. "Thank you, Molly!" said Peaches politely. They all shared and snacked, feeling like a true team. Picnic time made their friendship even stronger.

Soft raindrops began to fall from gray clouds. Molly quickly gathered the picnic things. "Let's take shelter!" called Ollie. Peaches flew to a nearby gazebo. Sam zipped under the roof, chirping happily. Snowball shook the rain from his fur. Molly snuggled beside her fluffy friend. They watched the rain dance on the ground. It felt cozy and fun under the shelter.

The rain stopped as quickly as it came. Sunlight peeked through the clouds, warming the park. "Look! A rainbow!" shouted Molly, pointing up. The friends gazed at the bright, colorful arc. Snowball barked in joy, spinning in circles. Peaches flapped her wings, flying closer to the light. Sam sang a cheerful melody. Everyone smiled at the beautiful rainbow. It was a magical moment to share.

Colorful butterflies fluttered around the rainbow. "Let's chase butterflies!" suggested Sam. Snowball jumped, trying to catch a gentle blue one. Peaches laughed and joined in, flapping nearby. Molly tiptoed after a yellow butterfly, giggling. Ollie floated gracefully behind them. The butterflies seemed to dance just out of reach. Laughter and barks rang through the park. Everyone felt light and happy as the sun shone down.

The sun started to sink in the sky. "It's almost time to go home," Molly said softly. Snowball nuzzled Molly's hand, not ready to leave. Peaches squawked, "Thank you for the games!" Sam did a happy loop in the air. Ollie nodded his wise head. "Let's meet again soon," he hooted. The friends gathered for a group hug. It was hard to say goodbye after such a fun day.

Molly waved as she and Snowball left the park. "Goodbye!" called Peaches, Sam, and Ollie together. Snowball wagged his tail, his blue eyes shining. He knew they'd have more adventures soon. Molly smiled at her fluffy friend. The park seemed cozier, filled with happy memories. For Snowball, every day could be special with friends. As they walked home, their hearts were full. Friends forever, thought Snowball with a happy bark.
