

# David and Goliath

CHILDBOOK.AI

Hello, kids! I'm Captain Faith. Today, I'll tell you about a brave boy named David. He trusted God with all his heart. Let's meet young David together!

ADVENTURES  
of CAPTAIN  
FAITH

David was a boy, tending his sheep in the fields. He loved singing to God and playing his harp. David trusted God every single day.

One day, a scary giant named Goliath, who looked like a monster, frightened everyone. No one wanted to fight him. Goliath shouted, "Is anyone brave enough to face me?"

David visited his brothers at the battlefield. He saw Goliath shouting and the army scared. David asked, "Why is everyone afraid?"

David said, "I'll fight Goliath! I believe God will help me." The King looked surprised. "You're just a boy." But David trusted God.

David found five smooth stones by the river. He took his slingshot, ready to face the giant.

Goliath saw little David and laughed loudly. "You think you can beat me with stones?" he roared. But David didn't run away.

David answered, "I come in God's name, not with a sword or spear!" Everyone watched closely.

David put a stone in his slingshot and swung it around. He aimed carefully and let it fly straight at Goliath.

The stone hit Goliath right in his forehead! Goliath fell with a giant thud. All the people cheered for David!

The army celebrated. David smiled bravely, thanking God for helping him.

Remember, kids, with faith in God, even the smallest can defeat their giants. Captain Faith says, "With God, you are never alone!"
