

# COMMISSIONER JACOB AND THE 20 KINGDOMS: RACE DAY

BY [CHILDBOOK.AI](#)

Commissioner Jacob stood on the stage and waved to the cheering crowd from all 20 kingdoms. "Welcome, racers and fans! Let's have a fair and fun race today!" he shouted. Forky raised the green flag, ready to begin the race. Super Bunny zoomed by, waving his red-capped paw. All the racers lined up, engines humming with excitement.

Super Baby Yoda's car glowed gently with the Force. Super Lightning McQueen revved his engine beside Chick Hicks and Monster Truck. Super Moosey shook his antlers and winked at the crowd. "Good luck, everyone!" called Super Bunny from above. Chick Hicks grumbled, "Luck? I only need speed!" The crowd roared as Forky dropped the flag.

The cars shot off the starting line, Super Baby Yoda quickly taking the lead. Super Moosey soared just overhead, his cape fluttering. Monster Truck growled and pushed forward, determined to win. Chick Hicks zoomed right beside Super Lightning McQueen. "Let's go!" cheered Super Bunny, flying along to keep watch. The first big challenge appeared ahead.

A giant ramp appeared on the track—everyone had to jump! Super Baby Yoda closed his eyes, glowing brighter with the Force. “Come on, Obi Wan, more Force!” he whispered. All the racers soared through the air. They landed safely, all wheels on the ground. The crowd clapped and waved their flags in excitement.

Chick Hicks winked at Monster Truck. "It's time for a trick!" he whispered. Super Moosey looked worried as they moved closer to his car. Suddenly, Super Bunny swooped down in front of them. He blew his freeze breath, slowing Monster Truck and Chick Hicks. "No dirty tricks today!" Super Bunny said.

Monster Truck and Chick Hicks screeched and spun their wheels, stuck in a patch of chilly air. Super Lightning McQueen zoomed past, laughing, “Better luck next time!” Commissioner Jacob smiled from the stands, happy to see the race stay fair. Super Baby Yoda’s aura grew even brighter. The next challenge waited ahead—Lake Jacob!

A sparkling blue lake surrounded the next part of the track. Super Moosey pressed a button, and his car turned into a boat! Super Lightning McQueen and Chick Hicks transformed too. Monster Truck growled as his wheels turned into paddle floats. Super Baby Yoda's car turned into a glowing submarine. The crowd gasped in delight.

The racers zipped across the lake, water splashing everywhere. Super Baby Yoda's submarine bubbled underneath, gliding quickly. "Time for some magic!" cheered the snamelian wizard, waving his wand from the shore. Forky jumped around, waving tiny flags. All the boats reached land and turned back into cars. The racers sped toward the finish line.

Everyone gave their best as they raced the final lap. Super Moosey fired laser beams from his antlers to light the way. Super Lightning McQueen and Chick Hicks battled for third place. The Monster Truck rumbled along, still cold but determined. Super Baby Yoda focused hard, his aura shining brighter than ever. The finish line was near!

Crowds cheered as Super Baby Yoda crossed the finish line first! “The Force really helped!” Baby Yoda smiled. Super Moosey zoomed past second, while Super Lightning McQueen finished third. Monster Truck and Chick Hicks growled, creeping across last. “Great racing, everyone!” shouted Commissioner Jacob. The stands erupted in joy and applause.
