Siva Avaneesh's
Number Adventure

Siva Avaneesh stepped outside and saw 1 dog sleeping under the big tree. "Hello, dog!" he whispered, grinning. The dog wagged its tail but stayed in dreamland.

Near the bench, 2 cats chased each other's tails. Siva Avaneesh laughed, "You two love to play!" The cats meowed and bounced off after a leaf.

High above, Siva Avaneesh spotted 3 bright balloons. "They look like colorful planets," he said. He waved at them as they floated gently.

In the garden, 4 butterflies fluttered above the flowers. "How beautiful you all are!" Siva Avaneesh admired. The butterflies circled around him before landing lightly.
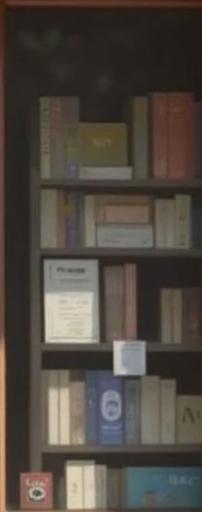

Suddenly, 5 fluffy chicks crossed the road together. "Be careful, little ones!" Siva Avaneesh called gently. The chicks chirped and hurried after their mother hen.

Outside the shop, Siva Avaneesh counted 6 shiny bicycles. "Maybe I can ride one when I'm bigger," he wondered. The bicycles sparkled in the morning sun.

Siva Avaneesh entered the garden and saw 7 bright flowers blooming. "Each one is a different color!" he cheered. He sniffed them and felt happy inside.

Near the path, 8 tiny ants marched in a straight line. "Where are you going, friends?" Siva Avaneesh asked curiously. The ants carried food back to their home.

At the pond, 9 ducks swam together. "Quack, quack!" Siva Avaneesh called as he counted each one. The ducks quacked back and waved their wings.

Inside the pet shop, Siva Avaneesh saw 10 fish swimming quickly. "So many colors and tails!" he giggled. The fish bubbled around, putting on a show.

Tired and happy, Siva Avaneesh skipped home. "I saw so many things today!" he told his family. He couldn't wait to count again tomorrow.

That night, Siva Avaneesh dreamed of all the animals, flowers, and balloons. "Counting is so much fun!" he said in his sleep. He smiled and snuggled under his blanket.
