

COMMISSIONER JACOB AND THE 20 KINGDOMS: ANOTHER RACE DAY

BY [CHILDBOOK.AI](https://childbook.ai)

Commissioner Jacob stood on the golden stage. "There will be another race through the 20 Kingdoms!" he announced. The crowd cheered wildly. Chick Hicks grinned, and Monster Truck revved. Super Bunny, Super Moosey, and Super Cheesecake got ready. Commissioner Jacob warned about the Scarry Wary Witch.

The racers lined up at the sparkling starting line. Super Lightning McQueen winked at Super Baby Yoda. "Let's make this fair and fun!" said Super Bunny, flying above. Monster Truck growled, "This is my year!" Chick Hicks whispered to Monster Truck, "Watch out for surprise moves!" Super Moosey tapped his goggles, ready.

Forky waved the green flag high. Zoom! All the racers shot forward. The 20 Kingdoms blurred past as everyone sped up. The Coven of Witches cackled from a tall, twisty tower. Super Baby Yoda smiled and used the Force to dodge mud. Super Cheesecake kept a watchful eye out for trouble.

From the sky, Wary-Scary Witch shrieked and waved her wand. Three huge elephants popped onto the track! "Yikes!" cried Super Lightning McQueen, swerving. The elephants trumpeted and blocked the way. Super Cheesecake took aim and fired gooey cheesecake. The elephants were stuck, and the racers zoomed by!

Wary-Scary Witch stomped her foot, upset. Super Cheesecake giggled, "Cheesecake saves the day!" Super Moosey blasted lasers from his antlers to light the path. Chick Hicks tried sneaking past with Monster Truck. Super Bunny hovered, keeping an eye on them. The elephants stayed frozen and cheery.

The road twisted up Mount Fuji, steep and snowy. "Ready?" shouted Super Bunny. He flew ahead and cleared falling snow with his heat vision. Super Lightning McQueen spun his wheels but stayed steady. Monster Truck slipped on some ice. Super Baby Yoda zipped by using the Force!

Suddenly, Tyrannosaurus Moles burst from a hidden cave! "Rawr!" they roared, blocking the trail. Super Moosey aimed his laser antlers and made a safe path. Chick Hicks tried to find another sneaky shortcut. Super Baby Yoda floated gently over danger. All the racers kept their cool!

Wary-Scary Witch gathered her Coven for a final spell. "We'll slow them down with magic wind!" she barked. A wild wind swirled in the cave's entrance. Super Cheesecake fired cheesecake at the gusts, turning wind into soft dessert. Everyone hurried into the Deep, Dark Cavern together.

Inside the cavern, it was chilly and dark. Stalactites dripped and stalagmites poked up everywhere. Racer's lights flashed on rocky walls. "Watch out!" warned Super Bunny, flying low with his cape shining. Monster Truck nearly bumped into a big stone. Super Baby Yoda led with glowing Force energy.

Super Lightning McQueen, Super Baby Yoda, and Chick Hicks burst out of the cave. The 20 Kingdoms sparkled ahead, flags waving. Monster Truck and Super Moosey followed close. Wary-Scary Witch tried one last sneaky spell, but it fizzled. Super Baby Yoda focused and zipped around the last curves!

Super Baby Yoda raced across the finish line first! Super Lightning McQueen was close behind with a big grin. Chick Hicks and Monster Truck crossed next, pouting. The crowd cheered and waved colorful banners. Forky jumped up and down. Commissioner Jacob applauded everyone for a great race.

Commissioner Jacob handed Super Baby Yoda the shiny Piston Cup. "Well done, racers!" he said. Super Bunny, Super Moosey, and Super Cheesecake hugged. The Wary-Scary Witch smiled a little, watching the heroes celebrate. The 20 Kingdoms filled with music and happiness. Everyone agreed, it was the best race ever!
